Case No.: 5:15-CR-7-2BO  
Request for Early Termination

**TO:** Terrence W. Boyle  
U.S. District Judge

On September 29, 2015, pursuant to a guilty plea to Conspiracy to Distribute and Possession With Intent to Distribute 500 Grams or More of Cocaine, Manuel Arizpe appeared before Senior U.S. District Judge James C. Fox in United States District Court for the Eastern District of North Carolina, and was sentenced to Time Served, to be followed by a 5-year term of supervised release. The defendant was released from custody on September 29, 2015, and began supervision in the Eastern District of North Carolina.

While on supervision, Arizpe has reported as directed, has remained employed, and has paid the special assessment. Record checks have been negative, and the defendant has not tested positive for any non-prescribed medications. On May 26, 2016, due to his compliance with supervision, the defendant was transferred to the Low Intensity Program. His term of supervision is scheduled to expire on September 28, 2020.

In view of the defendant's compliance with the conditions of supervision, the ends of justice would best be served to terminate supervision. Therefore, it is recommended that supervision be terminated. I have enclosed an Order Terminating Supervision for the court's use. Assistant U.S. Attorney Lawrence J. Cameron has been contacted, and he objects to the early termination. Please indicate the court's preference by marking the appropriate selection below.

- 
- ☒ I agree with the recommendation and have signed the enclosed Order.  
☐ I disagree with the recommendation. I will reconsider in one year.  
☐ I disagree with the recommendation. The defendant must serve the entire term of supervision.
